

Email Intro to Sporting Clay Event

Subject: Blanco Fire & EMS Auxiliary/Bailey McMain Cancer Treatment Fund

Dear Blanco County Friends & Neighbors,

Blanco Cow Camp LLC (BCC) is hosting a 5-stand sporting clay shoot, on November 11 and 12, 2023 to raise funds for Blanco Fire & EMS Auxiliary at its private shooting range in Blanco. In addition, BCC will match the sporting clay proceeds dollar-for-dollar up to \$10,000 as well as hold a cornhole tournament and a silent auction to help Bailey McMain pay for his cancer treatment expenses.

The Blanco Fire & EMS Auxiliary is a 501(c)(3) tax entity, EIN 83-1956126, which assists the Blanco County Emergency Services District No. 2 (BCESD2). They support the Fire and EMS personnel on prolonged emergency responses, provide community education, and raise funds to help acquire, replace and maintain equipment and gear for the first responders' safety as well as the safety of the community. These funds are applied for equipment and training that tax dollars do not cover.

Bailey McMain, a local resident with a family history in Blanco, Texas dating back to the civil war was recently diagnosed with stage 4 melanoma cancer. The out-of-pocket expenses are overwhelming, and the family is in desperate need of financial assistance to pay for the lifesaving medical treatment he requires.

We are inviting the community to assist in both causes by sponsoring a team of four experienced shooters, effectively supporting both Blanco Fire & EMS Auxiliary and Bailey McMain. Your sponsorship of a team or direct contribution will mean a lot for our community and the lives of those who live in the area.
